Part A: Remuneration Report

1. Resolution 1 – Adoption of Remuneration Report

To consider and, if thought fit, to pass, with or without amendment, the following resolution as an ordinary resolution:

“That, for the purpose of Section 250R(2) of the Corporations Act and for all other purposes, approval is given for the adoption of the Remuneration Report as contained in the Company’s Annual Financial Report for the financial year ended 30 June 2018.”

Note: The vote on this Resolution is advisory only and does not bind the Directors or the Company.

Voting Exclusion Statement: In accordance with the Corporations Act, the Company will disregard any votes cast on Resolution 1 by or on behalf of a member of the Company’s key management personnel (including the Directors), whose remuneration details are included in the Remuneration Report (KMP), or any of that person’s Closely Related Parties (such as close family members and any controlled companies of those persons) (collectively referred to as Restricted Voter). However, the Company need not disregard a vote if:

(a) it is cast by a person as a proxy appointed in writing that specifies how the proxy is to vote on Resolution 1; and
(b) it is not cast on behalf of a Restricted Voter.

If you appoint the person chairing the Meeting (Chair) and you are not a Restricted Voter, by submitting the Proxy Form you authorise the person chairing the Meeting to exercise the proxy even though Resolution 1 is connected directly or indirectly with the remuneration of a KMP, and you will be taken to have directed the Chair to vote in accordance with his or her stated intention to vote in favour of Resolution 1. The purpose of this Explanatory Statement is to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions in the Notice of Meeting.

If you are in any doubt about what to do in relation to the Resolutions contemplated in the Notice of Meeting and this Explanatory Statement, it is recommended that you seek advice from an accountant, solicitor or other professional advisor.

Full details of the business to be considered at the Annual General Meeting are set out below.

Agenda

Ordinary business

Financial statements and reports

In accordance with the Constitution, the business of the Annual General Meeting will include receipt and consideration of the Annual Financial Report of the Company for the financial year ended 30 June 2018 together with the declaration of the Directors, the Director’s Report, the Remuneration Report and the Auditor’s Report.

In accordance with the amendments to the Corporations Act, the Company is no longer required to provide a hard copy of the Company’s Annual Financial Report to Shareholders unless a Shareholder has specifically elected to receive a printed copy. These amendments may result in reducing the Company’s printing costs.

No resolution is required for this item, but Shareholders will be given the opportunity to ask questions and to make comments on the management and performance of the Company.

The Company’s auditor will be present at the Meeting. During the discussion of this item, the auditor will be available to answer questions on the:

- Conduct of the audit;
- Preparation and content of the auditor’s report;
- Accounting policies adopted by the Company in relation to the preparation of the financial statements; and
- Independence of the auditor in relation to the conduct of the audit.

Written questions of the auditor

If you would like to submit a written question about the content of the Auditor’s Report or the conduct of the audit of the Annual Financial Report of the Company’s auditor, please send your question to the Company Secretary. A list of qualifying questions will be made available at the Meeting.

Please note that all written questions must be received at least five business days before the Meeting, which is by Tuesday 6 November 2018.
Resolutions

Part A: Remuneration Report

Resolution 1 – Adoption of Remuneration Report

In accordance with section 250R(2) of the Corporations Act, the Company is required to present to its Shareholders the Remuneration Report as disclosed in the Company’s Annual Financial Report.

The vote on the Resolution is advisory only and does not bind the Directors or the Company. The Remuneration Report is set out in the Company’s Annual Financial Report and is also available on the Company’s website at www.lakeresources.com.au.

However, if at least 25% of the votes cast are against the adoption of the Remuneration Report at the Meeting (subject of this Notice of Meeting), and then again at the 2019 Annual General Meeting (2019 AGM), the Company will be required to put to the vote a resolution (Spill Resolution) at the 2019 AGM to approve the calling of a further meeting (Spill Meeting). If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the Spill Meeting within 90 days of the 2019 AGM. All of the Directors who were in office when the 2019 Directors’ Report was approved, other than the Managing Director, will (if desired) need to stand for re-election at the Spill Meeting.

The Remuneration Report explains the Board’s policies in relation to the nature and level of remuneration paid to KMPs (including Directors) and sets out remuneration details, service agreements and the details of any share-based compensation.

Voting

Note that a voting exclusion applies to Resolution 1 in the terms set out in the Notice of Meeting. In particular, the Directors and other Restricted Voters must not vote on this Resolution and must not cast a vote as proxy, unless the appointment gives a direction on how to vote, or the proxy is given to the Chair and you submit the Proxy Form, authorising the Chair to exercise the proxy even though Resolution 1 is connected directly or indirectly with the remuneration of a KMP and that in doing so you will be taken to have directed him to vote in accordance with his stated intention to vote in favour of Resolution 1.

Shareholders are urged to read carefully the Proxy Form and to provide a direction to the proxy on how to vote on this Resolution.

Part B: Re-election of Director

Resolution 2 – Re-election of Mr Stuart Crow as Director

Rule 75.1(a) of the Constitution requires that a Director must retire at the third annual general meeting following their appointment or last re-election by Shareholders.

Rule 75.1(b) provides that if the Company has three or more Directors, one third of the Directors (rounded down to the nearest whole number) must retire at each annual general meeting.

Directors who retire under Rules 75.1(a) and 75.1(b) are eligible for re-election.

Mr Crow was appointed a Director of the Company on 14 November 2016, and has since served as a Director of the Company.

Under this Resolution, Mr Crow seeks re-election at this AGM.

Part C: ASX Listing Rule 7.1A

Resolution 3 – ASX Listing Rule 7.1A Approval of Future Issue of Securities
Listing Rule 7.1A enables eligible entities to seek Shareholder approval by special resolution passed at an annual general meeting to issue equity securities (which must be in the same class as an existing quoted class of equity securities of the Company) which do not exceed 10% of the existing ordinary share capital without further Shareholder approval. The ability of the Company to make an issue under Listing Rule 7.1A is in addition to its 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation less than the amount prescribed by ASX (currently $300 million). The Company is an eligible entity. If at the time of the Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

Approval under this Resolution is sought for the Company to issue equity securities under Listing Rule 7.1A.

If this Resolution is approved the Company may make an issue of equity securities under Listing Rule 7.1A at any time (either on a single date or progressively) up until the earlier of:

(a) the date which is 12 months after the date of the 2018 Annual General Meeting; or
(b) the date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

or such longer period if allowed by the ASX.

Accordingly, the approval given if this Resolution is passed will cease to be valid on the earlier of 13 November 2019 or the date on which holders of the Company’s ordinary securities approve a transaction under Listing Rules 11.1.2 or 11.2.

The maximum number of equity securities which may be issued in the capital of the Company under the approval sought by this Resolution will be determined in accordance with the following formula prescribed in Listing Rule 7.1A.2:

\[(A \times D) - E\]

where:

- \(A\) is the number of shares on issue 12 months before the date of issue or agreement to issue:
(i) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;

(ii) plus the number of partly paid shares that became fully paid in the 12 months;

(iii) plus the number of fully paid shares issued in the 12 months with approval of the holders of shares under Listing Rules 7.1 and 7.4 (this does not include an issue of fully paid ordinary shares under the entity’s 15% placement capacity without Shareholder approval); and

(iv) less the number of fully paid shares cancelled in the 12 months.

D is 10%.

E is the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of Shareholders under Listing Rules 7.1 or 7.4.

The ability of the Company to make an issue under Listing Rule 7.1A is in addition to its 15% placement capacity under Listing Rule 7.1. The effect of Resolution will be to allow the Company to issue equity securities under Listing Rule 7.1A without using the Company’s 15% placement capacity under Listing Rule 7.1.

As at 2 October 2018, the Company has on issue 357,723,781 ordinary shares and therefore has a theoretical capacity to issue:

(a) 49,889,948 equity securities under Listing Rule 7.1. Of this amount, the Company has issued 25,124,131 equity securities that do not fall within an exemption under Listing Rule 7.2 resulting in the Company having a current capacity to issue 24,765,817 equity securities; and

(b) subject to Shareholder approval being sought under this Resolution, 33,259,965 equity securities under Listing Rule 7.1A.

The issue price of the equity securities issued under Listing Rule 7.1A will be determined at the time of issue. The minimum price at which the equity securities the subject of this Resolution will be issued is 75% of the volume weighted average market (closing) price (VWAP) of the Company’s equity securities over the 15 days on which trades in that class were recorded immediately before either:

(a) the date on which the price at which the equity securities are to be issued is agreed; or

(b) if the equity securities are not issued within 5 ASX trading days of the date in paragraph (a) the date on which the securities are issued.

If this Resolution is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders’ voting power in the Company will be diluted. There is a risk that:

(a) the market price for the Company’s equity securities may be significantly lower on the issue date than on the date of the approval of this Resolution; and

(b) the equity securities issued under Listing Rule 7.1A may be issued at a price that is at a discount (as described above) to the market price for the Company’s equity securities on the issue date;

which may have an effect on the amount of funds raised by the issue.

The table set out below shows the dilution of existing Shareholders on the basis of:

- The market price of the Company’s ordinary shares and the number of ordinary shares as at 2 October 2018.
- Two examples where the number of ordinary shares on issue ("A") has increased, by 50% and 100%. The number of ordinary shares on issue may increase as a result of issues of ordinary shares that do not require Shareholder approval (for example, pro-rata entitlements issues) or as a result of future specific placements under Listing Rule 7.1 that are approved by Shareholders.

- Two examples of where the issue price of ordinary shares has decreased by 50% and increased by 100% as against the market price as at 3 October 2018.

Notes:

(i) The table assumes that the Company issues the maximum number of equity securities available under Listing Rule 7.1A.
(ii) The table assumes that no options are exercised in ordinary shares before the date of the issue of equity securities under Listing Rule 7.1A.
(iii) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of issues of equity securities under Listing Rule 7.1A based on that Shareholder’s holding at the date of this Explanatory Statement.
(iv) The table shows the effect of an issue of equity securities under Listing Rule 7.1A, not under the Company’s 15% placement capacity under Listing Rule 7.1.
(v) The issue of equity securities under the Listing Rule 7.1A consists only of ordinary shares. If the issue of equity securities includes options, it is assumed that those options are exercised into ordinary shares for the purposes of calculating the voting dilution effect on existing Shareholders.

* Any issue of equity securities is required to be made in accordance with the Listing Rules. Any issue made other than under the Company’s 15% capacity (Listing Rule 7.1) or the Company’s additional 10% capacity (Listing Rule 7.1A) and not otherwise made under an exception in Listing Rule 7.2 (for example, a pro-rata rights issue) would require Shareholder approval.

** Based on the closing price of the Company’s Shares on ASX on 1 October 2018.

*** Based on the Company’s Share structure as at 1 October 2018.

If this Resolution is approved the Company will have the ability to issue up to 10% of its issued capital without further Shareholder approval and therefore allow it to take advantage of opportunities to obtain further funds if required and available in the future.

As at the date of this Explanatory Statement, the Company has not formed an intention to offer
any equity securities under Listing Rule 7.1A to any particular person or at any particular time. The total amount that may be raised by the issue of equity securities under Listing Rule 7.1A will depend on the issue price of the equity securities which will be determined at the time of issue. In some circumstances, the Company may issue equity securities under Listing Rule 7.1A for non-cash consideration (for example, in lieu of cash payments to consultants, suppliers or vendors). While the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A, some of the purposes for which the Company may issue equity securities under Listing Rule 7.1A include (but are not limited to):

(a) raising funds to further develop the Company’s business;
(b) raising funds to be applied to the Company’s working capital requirements;
(c) acquiring assets. In these circumstances, the issue of the ordinary shares may be made in substitution for the Company making a cash payment for the assets; and
(d) paying service providers or consultants of the Company.

Details regarding the purposes for which any particular issue under Listing Rule 7.1A is made will be more fully detailed in an announcement to the ASX made pursuant to Listing Rule 7.1A.4 and Listing Rule 3.10.5A at the time the issue is made. The identity of the allottees of equity securities under Listing Rule 7.1A will be determined at the time the Company decides to make an issue having regard to a number of factors including:

(a) the capital raising and acquisition opportunities available to the Company and any alternative methods for raising funds or acquiring assets that are available to the Company;
(b) the potential effect on the control of the Company;
(c) the Company’s financial situation and the likely future capital requirements; and
(d) advice from the Company’s corporate or financial advisors.

Offers made under Listing Rule 7.1A may be made to parties including professional and sophisticated investors, existing Shareholders of the Company, clients of Australian Financial Service Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities.

The allocation policy the Company may adopt for a particular issue of equity securities under Listing Rule 7.1A and the terms on which those equity securities may be offered will depend upon the circumstances existing at the time of the proposed capital raising under Listing Rule 7.1A. Subject to the requirements of the Listing Rules and the Corporations Act, the Directors reserve the right to determine at the time of any issue of equity securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

As the Company has previously obtained Shareholder approval under Listing Rule 7.1A, it is required by Listing Rule 7.3A.6 to provide details of all issues of equity securities in the 12 months preceding the date of the Meeting. The details of all issues of equity securities by the Company during the 12 months preceding the date of the Meeting are detailed below:
