

# 2019 CORPORATE GOVERNANCE STATEMENT

This corporate governance statement sets out Lake Resources NL’s (**Company**) current compliance with the ASX Corporate Governance Council’s Corporate Governance Principles and Recommendations (**ASX Principles and Recommendations**) during the financial year ended 30 June 2019.

The Company and the board of the Company (**Board**) have operated for the entire year in accordance with the ASX Corporate Governance Principles and Recommendations 3rd Edition and as required under ASX listing rules unless otherwise stated below. It should be noted that the small size of the Company and the specialised nature of the mineral exploration industry has necessitated modification in the application of some of the recommendations, whilst endeavouring to keep faith with the underlying principles of the recommendations. For many of the recommendations the Company achieved the standard required. For some recommendations, where certain aspects of the recommendation are considered by the Board to be unduly onerous for a company of the size of Lake Resources, the Company has implemented alternative arrangements. This corporate governance statement discloses the extent to which the Company has followed the ASX Principles and Recommendations.

This corporate governance statement is current as at 25 October 2019 and has been approved by the Board. It is available on the Company’s website at [www.lakeresources.com.au](http://www.lakeresources.com.au).

<p>1.5. <i>A listed entity should:</i></p> <p>(a) <i>have a diversity policy which includes requirements for the board or a relevant committee of the board to set measurable objectives for achieving gender diversity and to assess annually both the objectives and the entity's progress in achieving them;</i></p> <p>(b) <i>disclose that policy or a summary of it; and</i></p> <p>(c) <i>disclose as at the end of each reporting period the measurable objectives for achieving gender diversity set by the board or a relevant committee of the board in accordance with the entity's diversity policy and its progress towards achieving them, and either:</i></p> <p>(1) <i>the respective proportions of men and women on the board, in senior executive positions and across the whole organisation (including how the entity has defined "senior executive" for these purposes); or</i></p> <p>(2) <i>if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in and published under that Act.</i></p>	No	<p>The Board recognizes the importance of diversity in the workplace including gender, ethnicity, cultural background and age. The Company does not discriminate on any of these grounds for appointments, remuneration or promotion or other matters. However because of the small size of the Company and the limited scope of its operations, the Company has not developed or made formal disclosures in accordance with Recommendation 1.5 of the ASX Corporate Governance Council.</p> <p>It should be noted that the Company has only one permanent employee – its exploration activities are usually undertaken by contractors and consultants on an "as-needed" basis.</p>
<p>1.6. <i>A listed entity should:</i></p> <p>(a) <i>have and disclose a process for periodically evaluating the performance of the board, its committees and individual directors; and</i></p> <p>(b) <i>disclose, in relation to each reporting period, whether a performance evaluation was undertaken in the reporting period in accordance with that process.</i></p>	No	<p>Because of the small size of the Company and the limited scope of its operations, the Company has not established or disclosed a formal process for evaluation of the Board, Board Committees or individual directors. Nor has it been considered necessary to seek outside assistance in performance evaluation.</p>
<p>1.7. <i>A listed entity should:</i></p> <p>(a) <i>have and disclose a process for periodically evaluating the performance of its senior executives; and</i></p> <p>(b) <i>disclose, in relation to each reporting period, whether a performance evaluation was</i></p>	No	<p>Because of the small size of the Company and the limited scope of its operations, the Company has not established or disclosed a formal process for evaluation of senior executives. The small size of the Company and the specialist nature of the minerals exploration industry have generally led shareholders to place importance on increasing shareholder value by having a board with strong industry experience.</p> <p>The high-risk nature of exploration funding has also led to shareholders preferring directors to be directly or indirectly involved in the provision of capital.</p>
<p>2.2. <i>A listed entity should have and disclose a board skills matrix setting out the mix of skills and diversity that the Board currently has or is looking to achieve in its membership.</i></p>	No	<p>The Board currently has three directors - two non-executive directors and one executive director. Each director's biography is contained within the annual financial report of the Company and is available on the Company's website.</p> <p>The Company does not currently have a board skills or diversity matrix. The Board considers that such a matrix is not necessary given the small size of the company and the limited scope of its operations. Adoption of a board skills and diversity matrix would be considered if there is a material change in the scope and activities of the Company and its Board.</p>
<p>2.3. <i>A listed entity should disclose:</i></p> <p>(a) <i>the names of the directors considered by the board to be independent directors;</i></p> <p>(b) <i>if a director has an interest, position, association or relationship of the type described in Box 2.3 but the board is of the opinion that</i></p>	Yes	<p>The Chair, Mr Stuart Crow, appointed on 14 November 2016, is a non-executive director and shareholder, yet is not a substantial security holder of the Company that it would breach the factors relevant to assessing the independence of a director per box 2.3. The Board considers that Mr Crow has demonstrated the appropriate experience, skills and integrity to act independently and without compromise in the best interests of the company, its</p>

<p>2.4. <i>A majority of the board of a listed entity should be independent directors.</i></p>	Yes	<p>The Board has a majority of independent directors.</p> <p>Consistent with the size of the Group and its activities, the Board is currently comprised of three (3) directors, of which two are currently considered to be an independent director.</p>
<p>2.5. <i>The chair of the board of a listed entity should be an independent director and, in particular, should not be the same person as the CEO of the entity.</i></p>	Yes	<p>The Chair, Mr Stuart Crow, is a non-executive director.</p> <p>Whilst Mr Crow is a shareholder of the Company he is deemed not to be a substantial security holder and therefore meets the criteria as set out in the ASX guidance on corporate governance.</p> <p>Mr Promnitz is Managing Director.</p>
<p>2.6. <i>A listed entity should have a program for inducting new directors and provide appropriate professional development opportunities for directors to develop and maintain the skills and knowledge needed to perform their role as directors effectively.</i></p>	Yes	<p>The directors have the appropriate balance of skills, knowledge, experience and diversity to enable them to perform their roles and responsibilities effectively. The directors are also involved in other public companies and they attend seminars and industry conferences which enable them to maintain their understanding of relevant industry matters and technical advancements. The Board ensures that its members understand the company's operations, including site visits where appropriate.</p>

3. Promote ethical and responsible decision-making		
<p>3.1. <i>A listed entity should:</i></p> <p>(a) <i>have a code of conduct for its directors, senior executives and employees; and</i></p> <p>(b) <i>disclose that code or a summary of it.</i></p>	Yes	<p>The Board acknowledges and emphasises the importance of all directors, employees, contractors and agents maintaining the highest standards of corporate governance and ethical conduct. Directors are obliged to be independent in judgement and ensure that all reasonable steps are taken to ensure due care is taken by the board in making sound decisions. The Company has an established reputation for the highest standard of ethical conduct - for example, it has never made facilitation payments to government officials in overseas countries.</p> <p>The Company has a code of conduct, updated from time to time and published in the Corporate Governance Statement on the Company's website. The Company's code of conduct, which has been strictly adhered to, is set-out below:</p> <ul style="list-style-type: none"> <li>• act honestly with integrity and in good faith;</li> <li>• avoid conflicts and make full disclosure of any possible conflicts of interest,</li> <li>• take great care to ensure the integrity and security of all the Company's confidential information;</li> <li>• All personal information of the Company's suppliers, customers and employees is to be treated as confidential;</li> <li>• Treat each other and all suppliers, competitors, clients, customers and other stakeholders fairly and with respect;</li> <li>• Comply with all laws and regulations relating to the Company;</li> <li>• Ensure timely and full disclosure of material to the ASX; and</li> <li>• Report any instances of actual or suspected fraudulent or unethical behavior.</li> </ul> <p>The Board takes ultimate responsibility for these matters. In fulfilling their duties, each director may obtain independent professional advice at the Company's expense, subject to prior approval of the Chair, whose approval will not be unreasonably withheld.</p>
4. Safeguard integrity in financial reporting		
<p>4.1. <i>The board of a listed entity should:</i></p> <p>(a) <i>have an audit committee which:</i></p> <p>(1) <i>has at least three members, all of whom are non-executive directors and a majority of whom are independent directors; and</i></p> <p>(2) <i>is chaired by an independent director, who is not the chair of the board,</i></p> <p><i>and disclose:</i></p> <p>(3) <i>the charter of the committee;</i></p> <p>(4) <i>the relevant qualifications and experience of the members of the committee; and</i></p> <p>(5) <i>in relation to each reporting period, the number of times the committee met throughout</i></p>	No	<p>The Board is small and also acts as the audit committee. The small size of the Company with the three directors as the only persons handling company operations including signing all contracts and disbursements, means there is close and direct contact in all aspects of implementing and monitoring all financial systems and reporting.</p> <p>The half-yearly and annual reports are audited by external auditors, Stanley &amp; Williamson, who demonstrate quality and independence. The external auditor provides an annual declaration of their independence to the company. The external auditor attends the annual general meetings of the Company to answer shareholder questions about the conduct of the audit and the preparation and content of the audit report.</p>

<p><i>the period and the individual attendances of the members at those meetings; or</i></p> <p><i>(b) if it does not have an audit committee, disclose that fact and the processes it employs that independently verify and safeguard the integrity of its corporate reporting, including the processes for the appointment and removal of the external auditor and the rotation of the audit engagement partner.</i></p>		
<p>4.2. <i>The board of a listed entity should, before it approves the entity's financial statements for a financial period, receive from its CEO and CFO a declaration that, in their opinion, the financial records of the entity have been properly maintained and that the financial statements comply with the appropriate accounting standards and give a true and fair view of the financial position and performance of the entity and that the opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.</i></p>	<p>Yes</p>	<p>Prior to approving the Company's financial statements, the managing director and the person performing the role of CFO advise the Board that the declaration in accordance with the Corporations Act is founded on a sound system of risk management and internal control and that the system is operating effectively in all material respects in relation to financial reporting risks.</p> <p>The Board received a CEO/CFO declaration before it approved the Company's financial statements for all financial periods in the reporting period.</p>
<p>4.3. <i>A listed entity that has an AGM should ensure that its external auditor attends its AGM and is available to answer questions from security holders relevant to the audit.</i></p>	<p>Yes</p>	<p>The external auditor attends each annual general meeting of the Company and is available to answer questions from security holders relevant to the audit.</p>
<p><b>5. Make timely and balanced disclosure</b></p>		
<p>5.1. <i>A listed entity should:</i></p> <p><i>(a) have a written policy for complying with its continuous disclosure obligations under the Listing Rules; and</i></p> <p><i>(b) disclose that policy or a summary of it.</i></p>	<p>Yes</p>	<p>The Company has a policy that all shareholders, investors and the general public have timely and equal access to the company's information.</p> <p>As an exploration company, there is regular reporting to shareholders through the ASX Periodic Disclosure requirements, which call for quarterly operational and cash flow reporting. This reporting is additional to more conventional reporting by all companies of half yearly and annual financial results.</p> <p>All of the company's quarterly and annual reports and other disclosures are made available on the comprehensive company website and copies of the annual financial and activities reports are distributed in hard copy to all shareholders by mail.</p> <p>The Board is thoroughly aware of its Continuous Disclosure obligations which require immediate reporting of material events, particularly in relation to exploration progress. The Company has a demonstrated history of disclosure, through ASX announcements, of material events such as exploration results and joint ventures.</p> <p>The Board takes ultimate responsibility for these matters by</p>
