Resolutions

Remuneration Report

Resolution 1 – Adoption of Remuneration Report

In accordance with section 250R(2) of the Corporations Act, the Company is required to present to its Shareholders the Remuneration Report as disclosed in the Company’s Annual Financial Report.

The vote on the Resolution is advisory only and does not bind the Directors or the Company. The Remuneration Report is set out in the Company’s Annual Financial Report and is also available on the Company’s website at http://www.lakeresources.com.au.

However, if at least 25% of the votes cast are against the adoption of the Remuneration Report at the Meeting (subject of this Notice of Meeting), and then again at the 2021 Annual General Meeting (2021 AGM), the Company will be required to put to the vote a resolution (Spill Resolution) at the 2021 AGM to approve the calling of a further meeting (Spill Meeting). If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the Spill Meeting within 90 days of the 2021 AGM. All of the Directors who were in office when the 2021 Directors’ Report was approved, other than the Managing Director, will (if desired) need to stand for re-election at the Spill Meeting.

The Remuneration Report explains the Board’s policies in relation to the nature and level of remuneration paid to KMPs (including Directors) and sets out remuneration details, service agreements and the details of any share-based compensation.

Voting

Note that a voting exclusion applies to Resolution 1 in the terms set out in the Notice of Meeting. In particular, the Directors and other Restricted Voters must not vote on this Resolution and must not cast a vote as proxy, unless the appointment gives a direction on how to vote, or the proxy is given to the Chair and you submit the Proxy Form, authorising the Chair to exercise the proxy even though Resolution 1 is connected directly or indirectly with the remuneration of a KMP and that in doing so you will be taken to have directed the Chair to vote in accordance with the Chair’s stated intention to vote in favour of Resolution 1.

Shareholders are urged to read carefully the Proxy Form and to provide a direction to the proxy on how to vote on this Resolution.

Re-election of Directors

Resolution 2 – Election of Robert Trzebski as Director

The Company’s Constitution and ASX Listing Rule 14.4 provides that any Director appointed in addition to the existing Directors will hold office until the next following annual general meeting and is then eligible for re-election.

Dr Robert Trzebski was appointed as an additional Director of the Company on 10 December 2019 and has since served as a Director of the Company.

Under this Resolution, Dr Trzebski seeks election as a Director of the Company at this AGM.

Dr Trzebski is an international mining executive and has substantial operational, commercial and technical experience in global mining markets including Argentina.

He is currently Chief Operating Officer of Austmine Ltd and holds a degree in Geology, a PhD in Geophysics, a Masters in Project Management and has more than 30 years’ professional experience in project management and mining services. Dr Trzebski is also a non-executive director and chair of the audit & risk committee of ASX listed mining company, Austral Gold Limited (ASX:AGD).

Dr Trzebski is a fellow of the Australian Institute of Mining and Metallurgy and is fluent in Spanish,
German and English.

**Directors’ recommendation**

The Directors (excluding Robert Trzebski) recommend that Shareholders vote for this Resolution.

**ASX Listing Rule 7.1A**

**Resolution 3 – ASX Listing Rule 7.1A Approval of Future Issue of Securities**

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to add an additional 10% capacity.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation less than the amount prescribed by ASX (currently $300 million).

As of the date of this Notice of Meeting, the Company has a market capitalisation of approximately $47.52 million and therefore is an eligible entity. If at the time of the Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

This Resolution seeks Shareholder approval by way of a special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

**Information Required by ASX Listing Rule 7.3A**

The following information is provided to Shareholder for the purposes of Listing Rule 7.3A.

**Period for which the approval will be valid**

An approval under this Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

(a) the date which is 12 months after the date of the annual general meeting at which the approval is obtained;

(b) the time and date of the entity’s next annual general meeting; and

(c) the time and date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

**Minimum price at which the equity securities may be issued under Listing Rule 7.1A**

Any equity securities issued under Listing Rule 7.1A.2 must be an existing quoted class of the Company’s equity securities and issued for cash consideration.

The issue price per equity security must not be less than 75% of the volume weighted average market price of the equity securities in that class, calculated over 15 trading days on which trades in that class were recorded immediately before:
(a) the date on which the price at the equity securities are to be issued is agreed by the Company and the recipient of the equity securities; and

(b) if the equity securities are not issued within 10 trading days of the date in paragraph (a), the date on which the equity securities are issued.

Purposes for which the funds raised by an issue of equity securities under Listing Rule 7.1A may be used

As noted above, any equity securities issued under Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, every issue of equity securities under Listing Rule 7.1A.2 will have an accompanying proposed use of funds at the time of issue.

As at the date of this Notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A during the Listing Rule 7.1A mandate period, if Shareholders approve this Resolution. However, if Shareholders approved this Resolution and the Company did raise funds from the issue of equity securities under Listing Rule 7.1A, based on the Company’s existing plans, the Company considers that the funds may be used for the following purposes:

(a) raising funds to further the Company’s business including accelerating the Definitive Feasibility Study for the development of Lake’s Kachi Lithium Brine Project

(b) general exploration and working capital;

(c) paying service providers or consultants of the Company.

Risk of economic and voting dilution to existing ordinary Securityholders

If this Resolution is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders’ economic and voting power in the Company will be diluted.

There is a risk that:

(a) the market price for the Company’s equity securities in that class may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and

(b) the equity securities may be issued at a price that is at a discount (as described above) to the market price for the Company’s equity securities on the issue date;

which may have an effect on the amount of funds raised by the issue of equity securities under Listing Rule 7.1A.

The table below shows the potential dilution of existing Securityholders on the basis of 3 different assumed issue prices and values for the variable “A” in the formula in rule 7.1A.2:

(e) The table shows the effect of an issue of equity securities under Listing Rule 7.1A only, not under the Company’s 15% placement capacity under Listing Rule 7.1.

Allocation policy for issues under Listing Rule 7.1A

The Company’s allocation policy and the identity of the allottees of equity securities under Listing Rule 7.1A will depend on a number of factors, including:

(a) the Company’s intentions in relation to the possible issue of equity securities (for cash consideration) during the Listing Rule 7.1A mandate period;
(b) the structure and timeframe of the capital raising opportunities available to the Company and any alternative methods for raising funds that are available to the Company (such as a pro rata offer or an offer under a share purchase plan);
(c) the potential effect on the control of the Company;
(d) the Company’s financial position and the likely future capital requirements; and
(e) advice from the Company’s corporate or financial advisors.

Based on the Company’s historical cashflow reports and capital raising activities in the past 12 months, the Company considers that it may raise funds during the Listing Rule 7.1A mandate period, although this cannot be guaranteed. As of the date of this Notice, no specific intention to issue equity securities in relation to any parties, investors or existing Securityholders have been formed. In addition, no intentions have been formed in relation to the possible number of issues, or the time frame in which the issues could be made. Subject to the requirements of the Listing Rules and the Corporations Act, the Board of Directors reserve the right to determine at the time of any issue of equity securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

If and when the determination is made to proceed with an issue of equity securities during the Listing Rule 7.1A mandate period, details regarding the allottees and purposes of issue will be disclosed pursuant to the Company’s obligations under Listing Rules 3.10.3 and 7.1A.4.

Offers made under Listing Rule 7.1A may be made to parties (excluding any related parties) including professional and sophisticated investors, existing Shareholders of the Company, clients of Australian Financial Service Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities.

Issue or agreement to issue equity securities under Listing Rule 7.1A in the 12 months prior to AGM

The Board of Directors recommend that Shareholders vote for this Resolution.
Ratification of Prior Issue of 15,000,000 fully paid ordinary shares

Resolution 4 – Ratification of Prior Issue of 15,000,000 fully paid ordinary shares

Background

On 22 September 2020, the Company announced it had secured further funds by having utilised its Controlled Placement Agreement ("CPA") with Acuity Capital to raise $900,000 (inclusive of costs) by agreeing to issue 15,000,000 fully paid ordinary shares to Acuity Capital at an issue price of $0.06 (the "CPA Shares"). The CPA Shares were issued on 24 September 2020 (Issue Date), using the Company’s existing capacity under Listing Rule 7.1A.

ASX Listing Rules 7.1 and 7.1A

This Resolution proposes that Shareholders of the Company approve and ratify the prior issue and allotment of CPA Shares which were issued on the Issue Date.

The CPA Shares were issued under Listing Rule 7.1A.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

At last year’s AGM, the Company sought and obtained approval of its Shareholders under Listing Rule 7.1A to increase this 15% limit by an extra 10% to 25%.

The issue of the CPA Shares did not fit within any of the exceptions (to Listing Rules 7.1 and 7.1A) and, as it has not been approved by the Company’s Shareholders, it effectively uses up part of the expanded 25% limit in Listing Rule 7.1 and 7.1A, reducing the Company’s capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 and 7.1A for the 12 month period following the Issue Date (noting that the extra 10% under Listing Rule 7.1A will expire unless re-approved by the Company’s Shareholders on an annual basis).

Listing Rule 7.4 allows the Shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company’s capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

A note to Listing Rule 7.4 also provides that an issue made in accordance with Listing Rule 7.1A can be approved subsequently under Listing Rule 7.4 and, if it is, the issue will then be excluded from variable “E” in Listing Rule 7.1A.2 (which means that the Company’s capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1A is not reduced).

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, this Resolution seeks Shareholder approval to subsequently approve the issue of the CPA Shares for the purposes of Listing Rule 7.4.

If this Resolution is passed, the issue of the CPA Shares will be excluded in calculating the Company’s 25% capacity to issue equity securities under Listing Rules 7.1 (15%) and 7.1A (10%) without Shareholder approval over the 12 month period following the Issue Date.

If this Resolution is not passed, the issue of the CPA Shares will be included in calculating the Company’s 25% capacity to issue equity securities under Listing Rules 7.1 (15%) and 7.1A (10%) without Shareholder approval over the 12 month period following the Issue Date.
